

Fashion & Textiles: Innovation in Sustainability

LCB Depot's exhibition & events programme highlights work from a different creative industry every month. In April 2020 the focus is on fashion and textiles.

Artists and designers from across the country including those based in Leicester and at De Montfort University will explore sustainable practices from bespoke tailoring of long lasting garments to innovative new materials.

Controlled Chaos

Charlotte Cunningham

repurposed waste upholstery leather from an old sofa

A trench coat made by repurposing the waste leather from a local upholstery company, patch-worked together and dyed to create an oversized trench coat. Inspired by an attraction to abstract art and sculptures at Chatsworth House contrasting bright retro, colours with earthy tones.
