

Fashion & Textiles: Innovation in Sustainability

LCB Depot's exhibition & events programme highlights work from a different creative industry every month. In April 2020 the focus is on fashion and textiles.

Artists and designers from across the country including those based in Leicester and at De Montfort University will explore sustainable practices from bespoke tailoring of long lasting garments to innovative new materials.

Lost At Sea

Charlotte Cunningham, Hannah Weah, Sophia Andryszewski

Donated fabrics

A piece of outerwear designed to transform into a folding chair to aid the homeless demographic. Inspired by the ethos and aesthetic of Christopher Raeburn.

Using fabrics donated from companies to the university and scrap/waste fabrics from the university fabric shop, and re-purposing a camping chair

Artist Bio

A group of second year Fashion Design students at De Montfort university.
