

# Design Craft

LCB Depot's exhibition & events programme highlights work from a different creative industry every month. In May 2020 the focus is on contemporary craft.

Artists and designers from across the country including those based in Leicester and at De Montfort University will showcase their latest work

Charlie Vinten

Glass

My work is influenced by natural and organic forms, specifically the surface pattern in water and the movement of waves. More recently, I've been experimenting with mould blown glass. The interactivity of my vessels brings a playful aspect to my work and contradicts the more conventional way of exhibiting glass.
