

Design Craft

LCB Depot's exhibition & events programme highlights work from a different creative industry every month. In May 2020 the focus is on contemporary craft.

Artists and designers from across the country including those based in Leicester and at De Montfort University will showcase their latest work

Ceramic Vessels

Georgia Basham

Slip-Cast Ceramics

I am a process led ceramicist inspired by urban decay, more specifically, rusted pipes and expanding foam. As a designer I am particularly captivated by the relationship between natural and man-made structures. The three vessels represent this relationship in an abstract yet literal way.

Artist Bio

I am a second year Design Crafts student specialising in ceramics at DMU.
