

Fashion & Textiles: Innovation in Sustainability

LCB Depot's exhibition & events programme highlights work from a different creative industry every month. In April 2020 the focus is on fashion and textiles.

Artists and designers from across the country including those based in Leicester and at De Montfort University will explore sustainable practices from bespoke tailoring of long lasting garments to innovative new materials.

Love White Rabbit

Florie Struthers

Supporting the idea of slow fashion, I create investment pieces and small production runs with a focus on quality

Artist Bio

Florie is an exceptionally passionate seamstress and designer working under the name Love White Rabbit. With an appreciation of all aspects of the designing and making process, Florie's passion for sewing is paramount and shapes the foundation for her considered design and pattern cutting skills. Florie's love of detail is the key to her longstanding passion and dedicated client base which covers a wide variety of mens and womens apparel including intimates, swim, luxury and occasion wear.
