

Design Craft

LCB Depot's exhibition & events programme highlights work from a different creative industry every month. In May 2020 the focus is on contemporary craft.

Artists and designers from across the country including those based in Leicester and at De Montfort University will showcase their latest work

Beauty in Decay

Rosie Perrett Design

Glass and Copper

I never know what I will make for a project, the process of making and exploring my materials leads me to discover what will be. This work is as reaction to the weathering of our inner city – something most see as ugly I find beauty in. The intriguing patterns and textures of the weathered objects have influenced the way I have worked with glass and metal within this work.
