

Design Craft

LCB Depot's exhibition & events programme highlights work from a different creative industry every month. In May 2020 the focus is on contemporary craft.

Artists and designers from across the country including those based in Leicester and at De Montfort University will showcase their latest work

Ceramics

Ceramics is a process in which involves the uniquely personal connection between the maker and that single ball of clay. The interactions throughout the process excite me as an artist and I thrive on the final kiln reveal. My collection is inspired by the garden and the English tradition of afternoon tea, the decorative elements reflecting the life within the garden such as insects and nature.
